COVID GUIDELINES

- As we move forward into preparations for our 2021 competition, the Capital City staff is fully committed to your safety and the well-being of our dancers, attendees, and staff. Our approach will enlist the assistance and education not only from the CDC Guidelines, but state, local, and building levels as well.
- Due to the ever changing climate, we ask in advance for your patience and understanding if/when our guidelines/schedule becomes modified at any point to help meet the safety of everyone.
- Any high contact areas will be cleaned and sanitized frequently throughout the event.
- Masks are required to be worn by attendees and performers. Dancers may remove masks while dancing if they prefer and directors will meet them at the exit to replace. Directors can collect masks, place them in individual Ziploc bags and return them to the dancers at the stage exit.
- Capital City Staff will be wearing masks at all times.
- The Capital City staff will have temperature checks at entrance to the event and symptom checks.
- Teams will have specific entry times for dancers/spectators. They will be given a Covid guideline introduction. Directors will be shown to their specific dressing area. Temperatures and symptom checks will be taken by registered nurses per building guidelines. Guests can enter at other times however we know the main check in time is at the start and we want to eliminate the line.
- The Audience will be socially distanced in "Team Spirit Areas". The area will be taped off for your team only. You will be given x number of chairs and a table to do with as you wish for your team. Your audience/team members will need to bring a camping chair to sit in.
- Judges WILL NOT deduct points from any dancer on stage wearing a mask, gloves, or other health/safety articles. In addition, judges WILL NOT deduct points if your team opts to not wear costumes/have costume changes throughout the day.
- Only performers and those assisting in each routine will be permitted in the lineup area. Teams will be spaced out during the line up.
- In the event the competition is cancelled due to Covid-19 all registration fees will be refunded directly to the director in the manner in which they were paid..
- Attendees (audience members) may become limited to two per dancer if our registration increases.
- Block scheduling may be required if registration increases. In this event we would hold two mini award ceremonies.
